

# Indian Ridge News

October 2016

## Community Events:

We have enjoyed several community activities in the past few months. The Movie at the Park was well attended and we look forward to using the big screen for events in the future.

The National Night Out was a huge success. Not only did we have many of our neighbors come out, we had great support from our Piqua City First Responders. Our neighborhood event had the largest turn out in the city! We plan on participating in this event again next year!

Thank you for all you do to make Indian Ridge a gracious place for families to live!

## Front Tree Line

In the near future, the browned out pine trees located along 25-A will be replaced as they are still covered under the warranty.

## Indian Ridge Happenings:

Many of you have noticed the activity with the drainage ditch to the North and East of the park. This project was initiated to correct some water flow issues and it nearing completion. This is a part of a bigger picture, which includes the addition of a new street. The street will be located on the East side of Indian Ridge off of Cherokee and Sioux.

*Newly adapted drainage ditch.*

Plans for this street have been initiated and work may begin as early as this winter. We are excited about the opportunity to add new families to our community. Since the re-launching of Indian Ridge in 2014, we have added **17 new homes!!**

## Upcoming Events

### Trick Or Treat

Trick or Treat in Piqua is Monday, October 31<sup>st</sup> from 6:00-8:00pm. Based on last years turn out, we predict somewhere between 50-80 beggars. If you plan on passing out goodies at your home, remember to turn your porch lights on to let families know you are participating. Weather permitting, stop by Little Indians Park for a treat from Indian Ridge Builders!!

### Christmas Lighting Contest

Follow us on Facebook at **Indian Ridge Properties** for more details coming soon!
