2017 Indian Ridge Christmas

What a fantastic Christmas Holiday Season we had here in Indian Ridge.

Here are just a few fun filled facts from this holiday season:

We had over 80 decorated trees at our entrance lit by over 8,000 beautiful white lights

On Saturday, December 16th we lit up the night with over 800 Luminaries

Rudolf and his snowmen friends stood guard at our entrances

Over 80% (about 150) of our residents decked out their homes with exterior decorations making Indian Ridge one of the most festive communities in Piqua.
