## Luminaries

We are excited to announce that our Neighborhood Luminary Night will return this year! On December 11<sup>th</sup> (Saturday Night), each neighbor will be asked to place their provided luminaries out on the sidewalk in front of their homes. Please have your luminaries out by 5:00 and then enjoy driving around and seeing the neighborhood from 6-10 p.m. The lights should stay lit the entire time. We get lots of community traffic through our neighborhood. If you will be gone, please ask a neighbor to help you put your luminaries out.

### Volunteers Needed!

We would like several people from each street to volunteer to put sand in the luminary bags and distribute them to the houses on your street. We are using a shopping type bag so it will be easier than ever this year! Please text or call Julie at 937-418-0707 if you can help! We will set up a station in the design center garage to put sand in the bags

## A Note From Indian Ridge Builders

We want to thank each resident of Indian Ridge and Indian Ridge at The Pointe for making this neighborhood so friendly. As we continue through a couple of uncertain years, it is so refreshing to see neighbors helping neighbors and random acts of kindness. We celebrated our 200<sup>th</sup> family this summer, The Stanfords from the Columbus area, and we are excited for what 2022 holds for each of us! We want to personally wish you each a Merry Christmas and a healthy and happy New Year!
